Carie,

It was nice seeing you and your family today.

As I stated, I've been thinking about what types of things people could do right now. Here is a list:

- 1) PRAY
- 2) Email all the council members & Mayor. Right now I'm getting more emails for the ordinance than against. Especially, City residents should do this. Here is a list of email addresses -
Arlene Robinson - 1st Ward - a.robinson_ward1@sbc.global.net
Freddy Dancy - 2nd Ward - f_dancy@hotmail.com
Daniel Greer - 3rd Ward - danielpgreer@yahoo.com

Craig Pappin - 4th Ward - pappincraig@gmail.com
Andy Frounfelker - 5th Ward - arfrounfelker@yahoo.com
Derek Dobies - 6th Ward - derekdobies@gmail.com
Bill Jors - Mayor - bjors@cityofjackson.org

If you want some samples of what to say, I'll help with that.

3) Attend the Council meeting on Feb. 7 at 6:30pm, most likely to be held at the Michigan Theatre. Not necessarily to speak during public comment. But folks can fill out the form to speak but note that they do not wish to speak & turn it in. Many people in favor of the ordinance did this at the last meeting. Also, someone that does speak in opposition could ask for those that do not support the ordinance to stand. A large showing of numbers would send a message to the Council that they care enough to come to the meeting.

These are the immediate things that need to happen. I don't know how willing you are to work on this, but I thought I should at least give you the opportunity to if you can.

By the way, I ask that you do not forward this message. Please copy & paste and send it on to others that way. If you have questions, please feel free to call me

Thanks and God bless,

Dan Greer

Dan,

Thank you for voting NO on the LGBT ordinance. 73 people are not the majority and I would

rather see it go to a vote of the public people than voted by the City Council. I appreciate you for standing your ground on what you believe is right.

Have a blessed day

Carie Meadows
